

RESTRICTIONS ARE LIFTED ON THE DISTRIBUTION AND PURCHASE OF CARS

OTTAWA—All restrictions on the sale of new cars have been removed. Restrictions have been lifted in exceptional cases but the sale or delivery of cars has been placed on a normal basis. The sale of cars is now free from any special restrictions. With the action taken, the government is now free to sell and deliver cars to any person. It is now possible for the sale of motor vehicles to be handled in a normal trade channel and the government has accordingly been freed from any special restrictions.

Lifting of restrictions resulted from change in way the motor cars are purchased by the government. The new of new cars to the government is now handled in a normal trade channel and the government has accordingly been freed from any special restrictions.

On Aug. 1 the regulations were amended to prohibit the sale of motor cars to the government. The new of new cars to the government is now handled in a normal trade channel and the government has accordingly been freed from any special restrictions.

INFANTILE PARALYSIS

Episodes in United States Said to Be Increasing
WASHINGTON—The worst wave of infantile paralysis in the United States since 1916 began today, according to health authorities. The disease has been spreading rapidly since early in the fall of the year and has been reported in many states.

In other sections, however, the disease is epidemic. In some cases, the disease has been reported in many states. The disease has been spreading rapidly since early in the fall of the year and has been reported in many states.

VITAL DANGER

British's Proposals Have Been Rejected By Britain
LONDON—Britain will reject Russia's proposal that only Turkey and the other Black Sea powers control the vital Dardanelles, a foreign official spokesman said, and suggested British refusal of the Soviet proposal was reported in Istanbul.

The government said that Foreign Secretary Borden of Britain and State Secretary Byrnes of the United States have now made it clear in Paris the terms of the Soviet note to Turkey which suggested that Russia and Turkey jointly set up a defense along the strategic straits.

It will be to take defense plans for an international conference for revision of the 1926 Montreux convention on control of the straits. The government said that the Turkish position is that there should be no international control of the straits.

On the subject of the straits, Turkey had refused the Russian proposal to the government. The government said that the Turkish position is that there should be no international control of the straits.

HAVE THEIR OWN NEWSPAPER

YANKEE—British Columbia's 25,000 Indians are going to have their own newspaper, the Native Voice, under the editorship of John A. Gordon, a veteran of the First World War, and a member of the Tsimshian tribe of Fort Simpson. The newspaper will be published in Vancouver.

REPRESENT FRANCE

MONTREAL—Marcel Pagnard of Paris is expected to be the representative of the French at the annual meeting of the Canadian Bar Association in Winnipeg Aug. 28 to 30.

BATE NOT GIVEN

PARKING, Essex, England—J. P. Malin, parliamentary private secretary to the food minister, said that Britain's bread rationing would not "pretty quickly" be lifted, as might be expected.

INVESTIGATE BLACK MARKET

LONDON—Officers from British and Canadian military and naval investigation departments, will travel to Germany to investigate the black market activities of German agents in the Baltic states. It was learned.

SUGAR BEETS

Assumes That Factory Will Be Built At Labor

LETHBRIDGE—Philip T. Rogers of Vancouver and T. George Wood of Montreal, announced that a \$2,000,000 sugar beet factory will be built at Labor, Alta., by Canadian Sugar Beet Co. Ltd., a subsidiary of the British Columbia Beet Co. Ltd.

The factory is for factory engineering has been built to the Stearns Rogers Manufacturing Company of Denver, Colo., and is expected to be completed by the Dominion Construction Co. of Vancouver.

Statistics Show More People Are Working
